PPRESIDENT HOLLANDE MET HIS MAJESTY HAMAD BIN ISA AL KHALIFA KING OF BAHREIN

FOCUS AGAINST TERRORISM OF DAECH

Paris, Washington DC, 15.09.2015, 01:29 Time

USPA NEWS - President Hollande met with His Majesty Hamad Bin Isa Al Khalifa, King of Bahrain. The meeting focused on regional issues and the fight against terrorism Daech and its sources of financing, in which both countries are fully committed, and the preservation of cultural and religious diversity in ME.

The President discussed with the King the question of the preservation of cultural and religious diversity in the Middle East, and political and social measures to be taken to this end in the context of the Conference on the protection of victims of violence ethnic and religious in the Middle East which takes place today in Paris.

Finally, the two leaders also discussed the prospects for deepening bilateral relations, particularly in the fields of aeronautics, medicine and emergency planning. The President expressed his condolences following the death of five Bahraini soldiers in the attack that occurred on September 4 in the Safer area in Yemen.-----

The Paris Action Plan, presented during the September 8th, 2015 at International Conference on the Victims of Ethnic and Religious Violence in the Middle East, is intended to address the dramatic situation of persons belonging to communities targeted and threatened for ethnic or religious reasons by Daesh and other terrorist organisations. Beyond the solidarity that must benefit all victims of conflict and violence, there is a pressing necessity to protect and preserve those communities and cultures whose very existence is threatened in Iraq and Syria. Faced with this challenge, the Paris Action Plan will serve as a roadmap for the international community's response. Participants are encouraged to draw on it to carry out concrete measures, ahead of the follow-up conference, announced for 2016 by the Spanish government. Source : Elysee
